# WHAT OTHER TEACHERS ARE SAYING

[thefirstgraderoundup.com](http://thefirstgraderoundup.com)

This was an awesome resource for my weekly bible study in preK-1st grade class. We are no longer meeting so instead I copied the materials and delivered them to the door of each family. I then created a video each day and posted it to our group website. The families enjoyed the daily devotion and it was applicable for all ages to join in!

~Michelle

I had my students create books with a pendant on each day! I had the preschoolers at church color the pictures and I did the more crafty version with my 1st graders at school. I teach at a Catholic School so this was the perfect activity for Holy Week. Thanks for sharing this resource!

~Alicia

This was great for our family's celebration of Easter!

~Tabatha

# FREQUENTLY ASKED QUESTIONS

thefirstgraderoundup.com

**What version of the Bible do you use?**

I use both the NLT and the NIV translation, depending on the one that reads the most kid-friendly! 😊

**How do you keep the units organized?**

I keep the plans and materials for each unit in their own manilla folder labeled with the unit. All of the folders are kept in a square crate in my room. The booklets stay in our classroom library.

**Are these units based on any particular Christian affiliation?**

I am an evangelical Christian. All of the units are written straight out of the bible and the bible story scripts are kid-friendly verse by verse accounts of the story.

# ABOUT THE AUTHOR

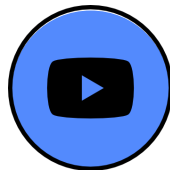

thefirstgraderoundup.com

Hey y'all! I'm Whitney Shaddock, the teacher author and blogger at the first grade roundup. I'm a National Board Certified teacher with my Masters Degree and have over 10 years of first grade experience in both high poverty and high wealth public schools. I've taught PreK Sunday School for over 17 years. I married my high school sweetheart in 2006. We were blessed with a beautiful boy in 2012 after years of infertility. In 2019, we adopted premie twins.

In 2011, I opened my TPT store. I love sharing real, practical resources I've tested and used in my own classroom. I am passionate about resources that align with the science of reading and full lesson plans and units to use in my classroom. Oh, and color coding is my love language! ☺

I love meeting new teachers, so let's connect!
