WHAT OTHER TEACHERS ARE SAYING

thefirstgraderoundup.com

Great resource. In the "Disney" world, most students don't know there are multiple versions of all fairy tales. Loved this unit as a way to open doors that the students didn't even know existed.

~Heather

We used this as a whole class literature study. Students enjoyed reading different versions of the same story.

~Deborah

Five stars isn't enough. This was an excellent and comprehensive unit study. My homeschooled 1st grader loved it.

~Karen

FREQUENTLY ASKED QUESTIONS

thefirstgraderoundup.com

Is there enough content in these units for 2-3 science and social studies lessons a week?

Yes! There is a science or social studies lesson for at least 4 days each week. Many of the lessons are integrated into writing or literacy so that they can also be used during your literacy block to save time.

What resources will I need to teach these units?

There is a linked list of a handful of trade books suggested for each unit. You will also need common supplies for the activities like craft sticks, foil, construction paper, etc...

What standards are used for these units?

These units are based on Arkansas Social Studies standards and the Common Core literacy standards for first grade. Some science units align with the NGSS and others are just basic first grade science from before NGSS.

ABOUT THE AUTHOR

thefirstgraderoundup.com

Hey y'all! I'm Whitney Shaddock, the teacher author and blogger at the first grade roundup. I'm a National Board Certified teacher with my Masters Degree and have over 10 years of first grade experience in both high poverty and high wealth public schools. I've taught PreK Sunday School for over 17 years. I married my high school sweetheart in 2006. We were blessed with a beautiful boy in 2012 after years of infertility. In 2019, we adopted premie twins.

In 2011, I opened my TPT store. I love sharing real, practical resources I've tested and used in my own classroom. I am passionate about resources that align with the science of reading and full lesson plans and units to use in my classroom. Oh, and color coding is my love language! ☺

I love meeting new teachers, so let's connect!
