WHAT OTHER TEACHERS ARE SAYING

Fantastic! For someone who likes to have all her data in one place, I loved these easy-to-use forms!

~Emily

I used this for middle school, so I had to tweak the data wall. It has help keep up with student progress through this crazy year. It has made data talks so much easier.

~Melissa

This resources is a life saver! I was worried about how to track all my information and keep it in one organized place now that we're teaching digitally. This was the answer. It is easy to set up and saves me so much time. I can also see it translating into non digital teaching. Thank you!!

~Allie

ABOUT THE AUTHOR

thefirstgraderoundup.com

Hey y'all! I'm Whitney Shaddock, the teacher author and blogger at the first grade roundup. I'm a National Board Certified teacher with my Masters Degree and have over 10 years of first grade experience in both high poverty and high wealth public schools. I've taught PreK Sunday School for over 17 years. I married my high school sweetheart in 2006. We were blessed with a beautiful boy in 2012 after years of infertility. In 2019, we adopted premie twins.

In 2011, I opened my TPT store. I love sharing real, practical resources I've tested and used in my own classroom. I am passionate about resources that align with the science of reading and full lesson plans and units to use in my classroom. Oh, and color coding is my love language! ☺

I love meeting new teachers, so let's connect!
