GOOGLE DRIVE LESSON PLAN TEMPLATES

Thank you for your interest in my Lesson Plan Templates. I hope find this template as helpful as I have in my teaching and planning. It not only drastically reduces your paperwork, but it keeps all of your lesson plans in one place online that you can access from school or home!

I have created a free video to walk you through the document, how to use navigate it, how our PLC uses this to plan and tips I have that have made this successful!

WHAT OTHER TEACHERS ARE SAYING

thefirstgraderoundup.com

I love the color coding. I then have the tubs and folders and everything for the subject color coded to match the color on the lesson plan. I especially love how they are editable.

~Trisha

I am a self contained special ed teacher. I lesson plan for each of my individual kiddos based on their IEP goals and accommodations. This resource is PERFECT for keeping everything organized. I use the colored sections on the top for my student names and then use the boxes for each subject and needed accommodations. Love this resource, thank you!

~Bailey

My administrator loves this lesson plan template! I just started using them recently, and they've been so easy and convenient, especially considering you can edit out what you don't need/want. Thank you!

~Holly

Hey y'all! I'm Whitney Shaddock, the teacher author and blogger at the first grade roundup. I'm a National Board Certified teacher with my Masters Degree and have over 10 years of first grade experience in both high poverty and high wealth public schools. I've taught PreK Sunday School for over 17 years. I married my high school sweetheart in 2006. We were blessed with a beautiful boy in 2012 after years of infertility. In 2019, we adopted premie twins.

In 2011, I opened my TPT store. I love sharing real, practical resources I've tested and used in my own classroom. I am passionate about resources that align with the science of reading and full lesson plans and units to use in my classroom. Oh, and color coding is my love language! ☺

I love meeting new teachers, so let's connect!
