WHAT ARE TIER 2 WORDS?

created by Whitney Shaddock, the first grade roundup

Tier 2 words are the colorful words authors use to craft and enhance their stories. Words like cheerful, beckon, soar, etc...

They are *not* high frequency words, like where (**Tier 1**).

And they are *not* academic vocabulary words that are content specific, like cardiology. (**Tier 3**).

~Laura

I have loved using this vocabulary resource with my first graders. It is easy to understand, and can be easily differentiated for my higher kids! Thank you!

I used this resource with my intervention groups. I loved that they were digital as paper and copies are a luxury item at our school. The kids did well with them too.

ABOUT THE AUTHOR

thefirstgraderoundup.com

Hey y'all! I'm Whitney Shaddock, the teacher author and blogger at the first grade roundup. I'm a National Board Certified teacher with my Masters Degree and have over 10 years of first grade experience in both high poverty and high wealth public schools. I've taught PreK Sunday School for over 17 years. I married my high school sweetheart in 2006. We were blessed with a beautiful boy in 2012 after years of infertility. In 2019, we adopted premie twins.

In 2011, I opened my TPT store. I love sharing real, practical resources I've tested and used in my own classroom. I am passionate about resources that align with the science of reading and full lesson plans and units to use in my classroom. Oh, and color coding is my love language! ☺

I love meeting new teachers, so let's connect!
