WHAT OTHER TEACHERS ARE SAYING

thefirstgraderoundup.com

I am so glad I found these! It makes reading decodables an easy addition to my small groups. I really love the assessment that comes with each concept. I will be using this on a weekly basis to help me gather data to report specifically to parents on how their child is doing with each concept.

~Marie

This is a great resource when trying to align instruction with SOR and phonics-based curriculum. We shifted to SOR, Wilson, and Heggerty, but didn't have the books/resources to support learning, so we used this resource and it is fantastic!

~Keri

I love these! My students were so far behind because our school is stuck using f&p. I snuck these into my guided reading and saw soooooo much growth. My students loved the success they saw too.
