Armor of God
Samuel
Heaven

UNIT OUTLINES + LESSON SCRIPTS

created by Whitney Shaddock, the first grade roundup

Lesson 1: Day and Night

Exploration Stations – coloring, book nook, creation day match, number towers, play-doh

Bible Story Time - Genesis 1:1-5 – Turn the lights off in your room. Talk about what the world was like before people, before animals, no plants, no sun, just darkness and emptiness. Then God created the world. He first created day and night. God said, "Let there be light" and there was. 7. God made on day 1 was day and night. God made a special time called day for us to do fun things and do other things. What kinds of things do we do during the day? (let kids respond.) What kinds of things do we do at night? (let kids respond.) God made day and night on day 1 of creation so we would have a certain time to do things. (to the tune of "Are You Sleeping?")

On day 1, on day 1

God made day and night, God made day and night,

God made day and night, God made day and night,

on day 1, on day 1

Comprehension Questions – 1. What did God create on Day 1? (day and night) 2. Why do we have day and night?

Prayer Time – If God can create the whole world, he can certainly answer our prayers. Pray about today.

Games/Activities – Day and Night Sort - Use the color cards to sort and discuss the vocabulary words. It belongs in and why. If time allows, each student can do the cut and paste sort also.

Creation Number Match - Match the big and small creation cards together and discuss what God created on each day. Learned so far.

Color and Glue – Each kid colors the day 1 square and glues it on their "Days of Creation" page. They can continue each week. They will take it home at the end of the unit. When they finish, they make a book.

Days of Creation Outline

Week 1: Day and Night

Week 2: Sky and Waters

Week 3: Land and Plants

Week 4: Sun, Moon and Stars

Week 5: Birds and Fish

Week 6: Animals and People

Week 7: God Rested

Bible verse practice!

Mom and Dad-
I am learning about Noah's Ark and
learning a new Bible verse. If I can say
by 11-24-18 then I will get a special
TREAT! Will you help me practice at home?
My Bible verse is:

"Give thanks to the Lord, for
He is good." Psalm 106:1

WHAT OTHER TEACHERS ARE SAYING

thefirstgraderoundup.com

I've recently started teaching and combined 1st and 2nd grade Sunday school class and this resource has made my life so much easier!

~Mrs. Cloud

I am using this as a resource at home to spend more time on Bible truths and stories. Love that I can use for my younger and older. Thank for a wonderful resource.

~Thanh

I am blown away with how amazing this resource is! I'm using for 2-6yr olds at our church and am combining lessons for the 2hr chunk we have the kiddos in 2 classes. I love how much time it's saving me and how enriching it will be for these kiddos.

FREQUENTLY ASKED QUESTIONS

thefirstgraderoundup.com

What version of the Bible do you use?

I use both the NLT and the NIV translation, depending on the one that reads the most kid-friendly! 😊

How do you keep the units organized?

I keep the plans and materials for each unit in their own manilla folder labeled with the unit. All of the folders are kept in a square crate in my room. The booklets stay in our classroom library.

Are these units based on any particular Christian affiliation?

I am an evangelical Christian. All of the units are written straight out of the bible and the bible story scripts are kid-friendly verse by verse accounts of the story.

PRESCHOOL CLASS SCHEDULE

ABOUT THE AUTHOR

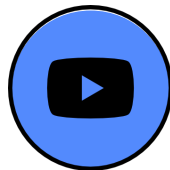

thefirstgraderoundup.com

Hey y'all! I'm Whitney Shaddock, the teacher author and blogger at the first grade roundup. I'm a National Board Certified teacher with my Masters Degree and have over 10 years of first grade experience in both high poverty and high wealth public schools. I've taught PreK Sunday School for over 17 years. I married my high school sweetheart in 2006. We were blessed with a beautiful boy in 2012 after years of infertility. In 2019, we adopted premie twins.

In 2011, I opened my TPT store. I love sharing real, practical resources I've tested and used in my own classroom. I am passionate about resources that align with the science of reading and full lesson plans and units to use in my classroom. Oh, and color coding is my love language! ☺

I love meeting new teachers, so let's connect!
