UNIT OUTLINE + 5 LESSON SCRIPTS

created by Whitney Shaddock, the first grade roundup

Lesson 1: Day and Night

Exploration Stations – coloring, book nook, creation day match, number towers, play-doh numbers

Bible Story Time - Genesis 1:1-5 – Turn the lights off in your room. Talk about what the world was like ANYTHING...before people, before animals, no plants, no sun...just darkness and emptiness. Then talk about how God created the world. He first created day and night. God said, "Let there be light" and there was. Turn on the lights. God made day and night. God made a special time called day for us to do fun things and a special time called night for us to do other things. What kinds of things do we do during the day? (let kids respond.) What kinds of things do we do at night? (let kids respond.) God made day and night on day 1 of creation so we would have a certain time to do different things. Sing the creation song (to the tune of "Are You Sleeping?"):

On day 1, on day 1,

God made day and night, God made day and night,

God made day and night, God made day and night,

on day 1, on day 1

Comprehension Questions – 1. What did God create on Day 1? (day and night) 2. Why do we need day and night?

Prayer Time – If God can create the whole world, he can certainly answer our prayers too. Pray for your family and pray about today.

Games/Activities – Day and Night Sort - Use the color cards to sort and discuss the vocabulary on each card. If time allows, each student can do the cut and paste sort also.

Creation Number Match - Match the big and small creation cards together and discuss what God made on each day. learned so far.

Color and Glue – Each kid colors the day 1 square and glues it on their "Days of Creation" page. You can continue each week. They will take it home at the end of the unit. When they finish, they may color the rest of the page.

WHAT OTHER TEACHERS ARE SAYING

thefirstgraderoundup.com

This is the best Sunday school curriculum I have ever used. I am on year 2 with my preK kids, and it has been perfect. We will use it until there are no more left to use!

~Megen

I am using this as a resource at home to spend more time on Bible truths and stories. Love that I can use for my younger and older. Thank for a wonderful resource.

~Thanh

I am blown away with how amazing this resource is! I'm using for 2-6yr olds at our church and am combining lessons for the 2hr chunk we have the kiddos in 2 classes. I love how much time it's saving me and how enriching it will be for these kiddos.

FREQUENTLY ASKED QUESTIONS

thefirstgraderoundup.com

What version of the Bible do you use?

I use both the NLT and the NIV translation, depending on the one that reads the most kid-friendly! 😊

How do you keep the units organized?

I keep the plans and materials for each unit in their own manilla folder labeled with the unit. All of the folders are kept in a square crate in my room. The booklets stay in our classroom library.

Are these units based on any particular Christian affiliation?

I am an evangelical Christian. All of the units are written straight out of the bible and the bible story scripts are kid-friendly verse by verse accounts of the story.
