Unit Outline & Lesson Plans for Each Week

Lesson 1: Why We Pray

Stations - coloring, book nook, bible puzzles, why we pray

Prayer Time - James 5:13 - We are learning about how prayer is powerful. "The prayer of a righteous person is powerful and effective."

Just talking to God. We can talk to God about anything! We don't have to talk to God like we would a friend--because God IS our friend. Is anyone happy? Let them sing songs or happy. We can talk to God about anything! Raise your hand if you've ever been in trouble before. Tell God about it! God wants us to talk to him because he loves us and wants to help us.

Comprehension Questions - 1. What is prayer? (talking to God)

Prayer Time - Our prayers are powerful! How can we pray? Have the kid stick it to the "prayer need" side.

Games/Activities - Cut out each face on the "why We Pray" card and say, "This friend is ___(sick, sad, happy, in trouble)___."

Color and Blue - coloring sheet

Bible Verse - Go through the verse match routines

ABOUT THE author

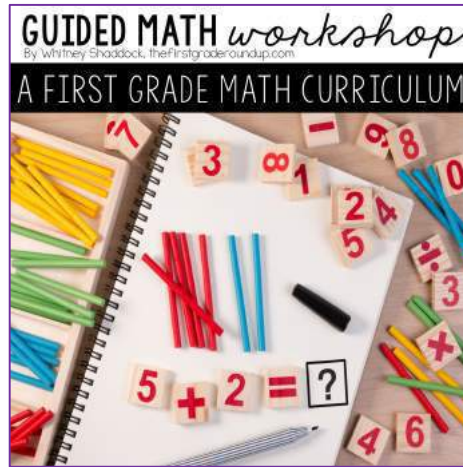

Hey y'all! I'm Whitney Shaddock, the teacher author and owner of the first grade roundup. I'm a National Board Certified teacher with my Masters Degree and have over 10 years of experience in first grade (in both high poverty and high wealth public schools). I've taught PreK Sunday School at church since 2003. I've been married to my high school sweetheart since 2006 and we were blessed with a beautiful boy in 2012.

In 2011, I opened my [TPT store](#). I love sharing real, practical resources I've tested and used in my own first grade classroom, Preschool church class and even a few homeschooling resources I use with my son. I am passionate about creating curriculum guides and integrated units to use in my classroom. I am also a self-proclaimed OCD teacher and math junkie so you will find those resources in my store as well!

I love meeting new teachers, so connect with me on facebook or instagram!

TpT Credits

You currently have 9 TpT Credits.

How it Works
Earn TpT Credits for purchases on TpT. You get one TpT Credit for every \$ you spend on TpT. Thing is, you only get the Credits after you Provide Feedback -- both a fair rating and a fair comment -- on the items that you purchase. We will round up for you, too! If you provide fair feedback on a \$4.75 item, you will earn 5 credits. Every 100 Credits is worth \$5 that you can apply towards future TpT purchases, but there is no need to wait until you have 100 to redeem them. 50 credits is worth \$2.50, for example.

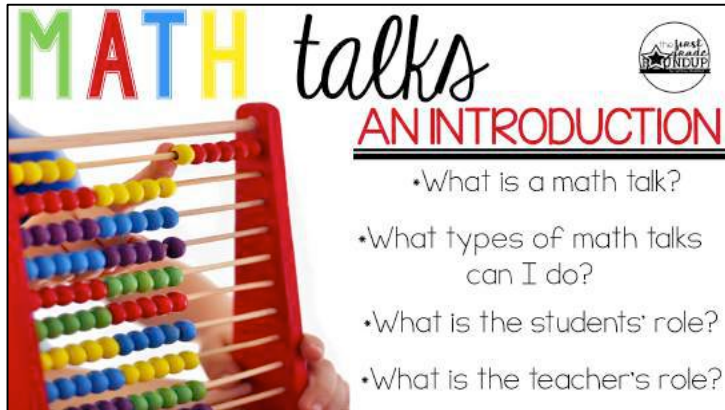

The program is retroactive to feedback provided on purchases since August 1, 2011.

How to Redeem TpT Credits
You can keep track of how many credits you have accrued here or on the top of the site after login. When you check out, you will be given the option of applying your TpT Credits to your purchase, thereby discounting your purchase price accordingly.
