WHAT OTHER TEACHERS ARE SAYING

thefirstgraderoundup.com

This is an excellent resource. I leave in my students' take home folders and have them update at the end of each quarter. A great opportunity for goal setting, progress monitoring and keeping parents informed.

~Megan

I had a student who was very negative towards herself and her "lack" of reading skills. I was able to show her just how far she had come. That was a huge game changer for her!

~Ashlee

This resource was a great way for my students to set goals and track their own progress. We used it as a stepping stone to launch conversations and develop ownership over their learning. Loved it!

~Sandra

In 2019, we adopted premie twins.

In 2011, I opened my TPT store. I love sharing real, practical resources I've tested and used in my own classroom. I am passionate about resources that align with the science of reading and full lesson plans and units to use in my classroom. Oh, and color coding is my love language! ☺
