WHAT OTHER TEACHERS ARE SAYING

thefirstgraderoundup.com

This is the best Sunday school curriculum I have ever used. I am on year 2 with my preK kids, and it has been perfect. We will use it until there are no more left to use!

~Megen

I am using this as a resource at home to spend more time on Bible truths and stories. Love that I can use for my younger and older. Thank for a wonderful resource.

~Thanh

I am blown away with how amazing this resource is! I'm using for 2-6yr olds at our church and am combining lessons for the 2hr chunk we have the kiddos in 2 classes. I love how much time it's saving me and how enriching it will be for these kiddos.

FREQUENTLY ASKED QUESTIONS

thefirstgraderoundup.com

What version of the Bible do you use?

I use both the NLT and the NIV translation, depending on the one that reads the most kid-friendly! 😊

How do you keep the units organized?

I keep the plans and materials for each unit in their own manilla folder labeled with the unit. All of the folders are kept in a square crate in my room. The booklets stay in our classroom library.

Are these units based on any particular Christian affiliation?

I am an evangelical Christian. All of the units are written straight out of the bible and the bible story scripts are kid-friendly verse by verse accounts of the story.

ABOUT THE AUTHOR

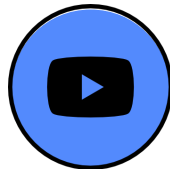

thefirstgraderoundup.com

Hey y'all! I'm Whitney Shaddock, the teacher author and blogger at the first grade roundup. I'm a National Board Certified teacher with my Masters Degree and have over 10 years of first grade experience in both high poverty and high wealth public schools. I've taught PreK Sunday School for over 17 years. I married my high school sweetheart in 2006. We were blessed with a beautiful boy in 2012 after years of infertility. In 2019, we adopted premie twins.

In 2011, I opened my TPT store. I love sharing real, practical resources I've tested and used in my own classroom. I am passionate about resources that align with the science of reading and full lesson plans and units to use in my classroom. Oh, and color coding is my love language! ☺

I love meeting new teachers, so let's connect!
